

Christmas in the Ozarks

Medical Release for Minors

A parent must be on site for the entire tournament when their child(ren) are present at the event. In specific and approved circumstances in which a parent is not physically present, another adult (18 years old minimum) must assume the responsibility for the child(ren) whose parent is not physically present. Chaperones must keep signed and completed forms in their possession throughout the tournament. You will need one form per child.
