

# IMPORTANT:

## Safety & Security

### NITOC Safety and Security Procedures

Your safety is our top priority during NITOC. Please review and follow these procedures in the event of an emergency. Please review them with all family members.

**Security: 918-495-7750**

#### Fire Emergency

- Signal: Fire alarms will sound in all buildings.
- Action: Immediately evacuate the building. Do not wait or assume it is a drill.
- Note: Fire alarms are only used in the event of a fire and not for other types of emergency.

#### Tornado Warning

- Signal: City-wide tornado sirens will sound.
- Action: Immediately proceed to a designated storm shelter location.

#### **Designated Storm Shelters on Campus:**

##### **Building**

Hammer Alumni-Student Center

Christ's Chapel

##### **Storm Shelter Location**

Prayer Tower First-Floor Auditorium

West hallway by music ministries and restrooms

|                                               |                                                     |
|-----------------------------------------------|-----------------------------------------------------|
| Gabby Residence Hall                          | First-floor interior hallway                        |
| Global Learning Center (GLC)                  | Mabee Center arena & practice gym                   |
| Hamill Center                                 | Interior basement                                   |
| Kenneth Cooper Aerobics Center (AC)           | Racquetball courts & swimming pool area             |
| Learning Resources & Graduate Center (LRC/GC) | 1st & 2nd floors                                    |
| Mabee Center                                  | Arena & practice gym                                |
| Niko Residence Hall                           | Lowest floor hallway (each wing), away from windows |
| Prayer Tower                                  | First-Floor Auditorium                              |

Accessibility: Individuals with mobility issues should go to the nearest Evacuation Placard/Sign for assistance or call Security at 918-495-7750.

## Active Shooter / Campus Threat

- Notification: NITOC participants are encouraged to sign up for the ORU E-Alert System at [Emergency Alert Sign Up](#)
- Action: Follow the instructions provided in the alert system. These messages will come from ORU's Security Department. Guidance may include:
  - Shelter in place
  - Evacuate
  - Lockdown

Sign up for the ALL NITOC Emergency messaging system:

Use this QR code to sign everyone in your group up for emergency messages from NITOC.

## NITOC Safety Team

You will see members of our Safety Team around campus all week. They will be easy to identify because they will be wearing safety vests. If you need help, please seek them out and they can give you further guidance to resolve your issue.
